

## 644 & 660 Broadway San Francisco, CA 94133

### Neighborhood Highlights

- Mix of housing, restaurants, coffee houses, retail services and entertainment near the building.
- Location offers one of the highest volumes of pedestrian and vehicular traffic in San Francisco.
- Ideally located on Broadway near Columbus offering pedestrian access to North Beach, Chinatown, Jackson Square and the Financial District.

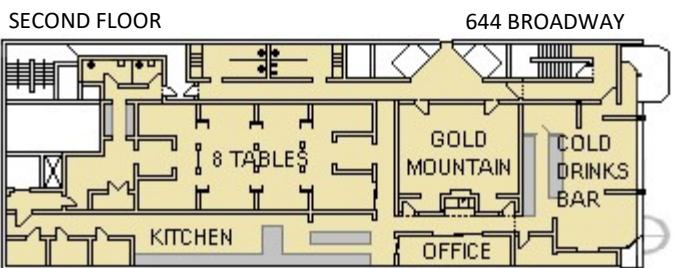

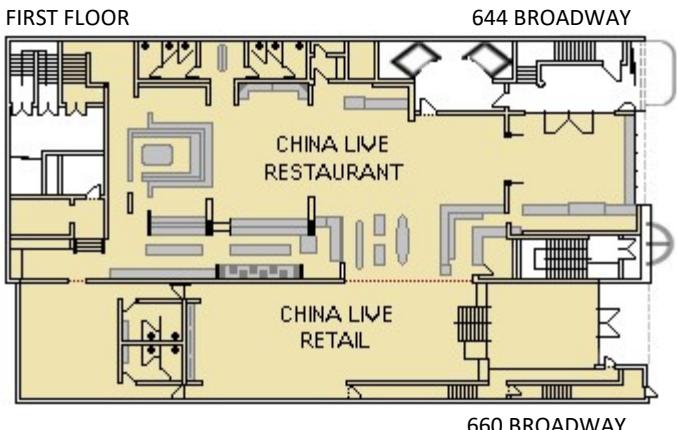

*China Live* San Francisco, is a ~30,000-square-foot culinary and cultural destination in the heart of Chinatown providing unprecedented access to Chinese gastronomy. On the ground floor, will be a Chinese Market-Restaurant, curated retail, and the lively all-day Oolong Café, - all featuring Greater Chinese cuisine in a modern communal space. On the second floor are three separately designed areas: Eight Tables by George Chen - an elegant restaurant offering a seasonal 8-course tasting menu, a craft cocktail bar overlooking Broadway Street, and the Gold Mountain Lounge - a private dining/lounge space. On the third floor there will be a banquet hall , small kitchen and offices.
